

Game Day Checklist

Check [Teamsideline](#) for your team's game schedule and location.

- Field information, maps and directions are on the [Teamsideline](#) website.

In the event of inclement weather, check the status of the field BEFORE you leave for your games on [Teamsideline](#).

Know the playing rules of your sport.

Bring:

- Roster
- Coaching Card (must be worn on a lanyard and be viewable to the referee during the game.)
- Any equipment needed (example: game ball)

If you are short players for your game, utilize the "loan a player" rule.

Game forfeits or possible reschedules: in fairness to the opposing team and officials, please advise your sports director if your team is unable to play. If the opposing team agrees, we will try to reschedule the game. Forfeited games will not be rescheduled. If your team is short players and the opposing team agrees, utilize the "borrow a player" rule.

If there is a problem or serious concern with the game or the handling of the game, have a parent find a field director so they can view the game.

HAVE FUN!
