THHS – Texas Health and Human Services
The YMCA abides by minimum standards regulating childcare as prescribed by the Texas Health and Human Services. In order to obtain full compliance with these standards, parents must complete the enrollment forms entirely and, as necessary, update the information throughout the year. THHS minimum standards and a copy of operations’ most recent inspection are available online or at our sites for viewing. Parents may contact THHS at 1-800-862-5252 or visit www.dfps.state.tx.us.

Child Abuse Prevention – THHS Minimum Standards
The YMCA of Metropolitan Dallas regards accusations of child abuse very seriously and reports all suspected child abuse, neglect and exploitation to Child Protective Services/Texas Health and Human Services. Reports of abuse and neglect can be made to the THHS hotline at 1-800-252-5400 or www.txabusehotline.org.

Information, Questions or Concerns
The YMCA of Metropolitan Dallas has an open door policy. Any questions or concerns should be directed to your YMCA Afterschool Program Director. Afterschool Program Information

Program Overview
We provide children with the opportunity for experiential learning hands-on through group play and structured enrichment programming. The YMCA Afterschool program operates using a rotating schedule so each day is full of exciting choices and new opportunities to learn and grow.

Programming Time
Our afterschool program aims to develop the whole child; which is why each week children participate in activities designed to promote a healthy spirit, mind, and body.

Academic Enrichment includes daily dedicated homework time, DEAR (Drop Everything and Read) time, and engaging activities that reinforce TEKS learned in school!

Health & Wellness focuses on increasing physical activity and educates children on the importance of nutrition using CATCH@ curriculum, Skillastics and other specially designed experiences.

Character Education allows children to explore their independence, gives them the opportunity to make new friends and allows our staff to reinforce our core values of caring, honesty, respect and responsibility through service projects, focused lessons and being positive role models with the Sanford Harmony Character Education Program.

Enrichment Activities - Monthly units focus on Healthy Living, STEM (Science, Technology, Engineering, and Math), Global Awareness, Art, College & Career Readiness, Health & wellness, and Character Education.

A typical day includes snack, homework time, intentional activities, and physical activity.

Homework Policy

The YMCA Afterschool program offers a dedicated daily homework time. 
Our program is not a tutoring program. Focused, quiet homework time is available for a minimum of 30 minutes each day. Kids who do not have homework are engaged in independent and shared reading.

We understand that certain families may request more than 30 minutes each day to be spent on homework completion. Please visit with your site director if you would like for your child to have more than 30 minutes of homework time and forego the scheduled activities for the day until homework is completed. Please understand that your child is responsible for keeping track of their homework each day and notifying staff when they have homework to complete.

Healthy Snacks

Afterschool snacks or meals (for certain locations) are provided to all children and are served daily. Monthly snack menus are posted at your YMCA Afterschool site.

We are committed to offering healthy options at each of our locations. This includes whole grain, fruits and vegetable selections weekly. We strive to select options that are trans-fat free and include no hydrogenized oils. We serve primarily water and occasionally 100% fruit juices. In some districts the campus provides us with snacks. We make every effort to work with these campuses to insure we are offering the healthiest option available to our students.
YMCA is a Nut-Free environment. If you choose to send your child with an afternoon snack please make sure it does not contain nuts or nut products.

**Food Allergies**

Our programs are nut free (including tree nuts), meaning that we do not serve or allow products containing or made with any type of nuts or nut byproducts, to be present in our program areas. The YMCA of Metropolitan Dallas makes every attempt to identify other ingredients that may cause allergic reactions for those with food allergies. Every effort is made to educate our staff on the severity of food allergies.

Though we make these efforts to educate our staff and families of possible allergen-containing ingredients in foods served in our programs; there is always a risk of contamination. There is also a possibility that manufacturers of the commercial foods we use could change the formulation at any time, without notice. Parents or Guardians concerned with food allergies need to be aware of this risk and assist our staff when possible to ensure the safest environment possible for all participants.

Each parent or guardian is responsible for notifying our staff of all food related allergies, possible symptoms and treatments their children require and if necessary providing alternative snacks on days when our menus may include items that their child may not eat. If a parent chooses to send lunch or snacks with their child they may not be made with nuts or nut byproducts.

According to our licensing standards, parents are required to have a food allergy plan completed by a licensed physician. Please see your site staff for a copy of this plan.
Program Logistics

Days of Operation

The YMCA Afterschool program operates Monday through Friday and coincides with school district’s calendar.

Hours of Operations

Program operates from the time school is dismissed until 6:30 pm, unless otherwise indicated at your Afterschool program. Some locations close at 5:30 or 6:00 pm. If it is 2 hours within regular dismissal time, the program is offered on Early Release days as listed on school district calendar at no additional cost.

Transportation

We serve schools that do not offer on-site programming in some areas by providing YMCA bus routes in Park South and Waxahachie. Transportation is provided at these campuses to a central location. Please visit our website for a list of schools we serve that bus to these central locations. Please note, for school districts providing transportation to a central location, the YMCA staff will check those students into the program when they arrive to the on-site campus.

Holiday Camps-Dallas/Coppell/Frisco Locations

We recognize that working parents need full day options during school holidays and in-service days. Holiday Camps are available on many of these days. Pre-registration details will be available at school site prior to optional Holiday Camps. A minimum of twenty (20) students are needed to operate a Holiday Camp.

Registration is on a first-come, first-serve basis. When a site is at capacity, parents may choose to take their child to another location where space is available. Children without reservations will be accepted only if space is available. Holiday Camp is an additional cost per day.

Please remember to provide your child with a healthy sack lunch to Holiday Camps. Refrigeration is not available, so please send your child’s lunch in a small bag with cooler packs. We provide 2 snacks. No nut products allowed.

Personal Belongings

Please mark all belongings with your child’s name (lunchboxes, clothing, school supplies). The program is equipped with age appropriate materials. Children are asked not to bring any electronic equipment, cell phones, etc.
Please do not send money, valuables or toys with your child to the YMCA Afterschool program. The YMCA will not be responsible for lost or stolen items. If these items are brought to the program they will be stored by staff and returned to the parent at pick up time.

**Notifying Classroom Teacher**

Once you have enrolled your child in a YMCA Afterschool Program, please communicate with your child’s teacher/substitute and indicate your child’s start date with the YMCA.

**Absences**

The YMCA must be notified by 1:00 pm if your child will not attend the program that day. Please call or text the designated site phone, provided on first day of program. Please remember to provide the child’s full name, as well as yours, when reporting an absence from the program.

All fees are based on enrollment, not attendance. There are no discounts, refunds or credits for sick days, snow days, vacation days, school closures, or days your child does not attend.

**Check In**

Children are responsible for prompt arrival to the program. For safety reasons children are expected to check in to the Afterschool program immediately upon school dismissal or when their bus arrives. In most school districts, teachers will walk younger children to the YMCA program. YMCA staff will greet students that are transported from other campuses and are enrolled in the YMCA onsite program to which they are bused.

**Non-YMCA Extra-Curricular Sponsored After School Activities**

In the event that your child participates in a school sponsored activity after school, we will require an **After School Activity Form** to be completed. Examples of such activities may include: clubs, tutoring, choir and assisting teachers. Please complete a **After School Activity Form**; stating the nature and duration of the activity, including dates, times, frequency, and location. Forms are available at your onsite Afterschool Program. Our staff cannot release children to teachers or club leaders once they are signed into our program.

**Sign-Out/Release of Children**

YMCA uses the KidKiosk app (on a tablet or cellular device) to sign children in to our program and for parents/authorized pick ups to sign out of the
program. All parents and authorized persons will be assigned a 4 digit pin# for pick up. (The primary parent will receive an email with their 4 digit Pin# and all other authorized persons will receive their 4 digit Pin# from our Afterschool Staff at the time of pick up by showing their ID)

Children will only be released to authorized people who are listed on the child’s enrollment forms. Authorized person must present a photo ID in order for a child to be released from the program. A driver’s license must be presented to the staff before the child can be released. At this time a Pin# will be provided to the Authorized Person so they can check the child(ren) out through our KidKiosk system. Staff will become familiar with the Responsible Party or Parent/Guardian on the pick up list and may not ask for I.D after the first couple of weeks of school. Please be ready to present picture I.D. whenever asked.

• We will only release children to persons listed on the enrollment form or persons authorized by the individual who enrolled the child.

• Only the person who signed the enrollment form can change information on the form and must do so in writing.

• In the event of an emergency, if you wish for someone to pick up your child who is not on the enrollment form you must provide the person’s driver’s license number and name of the person.

• Persons under the age of 18 can only pick up with a signed affidavit on file.

Employees will verify and record the identity of a parent or an authorized pick-up with the following steps:

• Taking a picture of the Driver’s License on the site phone which will be printed and kept on site.
• This information will be kept onsite for at least three months.

**Punchcard Families**

Please notify the site within 24 hours by calling or texting when your child(ren) will attend to ensure proper accountability of your child(ren). Parent must likewise notify the school/classroom teacher when their child(ren) will be attending the program after school.

**Healthy Environment**

Please help maintain a healthy environment for all of our children. If a child cannot participate in the program due to illness, the child must be kept at home. **Children cannot attend the Afterschool program if they have**
not attended school that day or if they have been sent home from school ill. Parents/guardians of children who arrive to the Afterschool program with a fever of 100.4 or higher will be called to pick up children immediately. All children must be fever-free or symptom-free for 24 hours without the use of fever-reducing aids in order to return to the program.

Healthy Environment of Staff

The YMCA of Metropolitan of Dallas does not track or verify if staff are current on adult immunizations where it is not required by a city government. However, all staff are required to complete First Aid and CPR training in which Blood Born Pathogen training is received. We do not permit any staff person to treat a child without the protective equipment and supplies appropriate for the incident or injury. Furthermore, staff are required to follow the same illness policy we require of participants and not to report to work if they are exhibiting signs of communicable disease or illness.

A note on lice: Children must use a doctor approved treatment and be free of nits (unhatched eggs) before returning to the program. Our staff will conduct a private check when they return and may require child to be picked up if nits are still present.

Immunization

Each child enrolled must meet applicable immunization requirements specified by the Texas Department of State Health Services and immunization requirements in Texas elementary and secondary schools and institutions of higher education. Immunization records must be on file at their school.

Family Transitions

At times families go through significant transitions within their homes. These transitions can dramatically impact children and alter their behaviors. Please keep us informed of such changes so we can be sensitive to your child’s needs. This collaboration will allow us to provide the best environment for your child’s growth and development.

School Closings / Bad Weather Policy

If schools are closed due to inclement weather, power outage or adverse conditions, the YMCA Afterschool Programs will also be closed. Parents may be called to pick up their child early if inclement weather comes during the program hours. All fees are based on enrollment, not attendance. There are

Licensing Requirements

The Texas Health and Human Services requires the following to be stated:

**Gang Free Zone**

A gang-free zone is a designated area around a specific location where prohibited gang related activity is subject to increased penalty under Texas law. The gang-free zone is within 1000 feet of the afterschool site location.

**Discipline**

with the Texas Health and Human Services, each disciplinary measure must:

1. Be consistent with our policies and procedures;
2. Not be physically or emotionally damaging to the child;
3. Be appropriate to the child’s age and level of understanding; and
4. Be appropriate to the incident and severity of the behavior demonstrated.

A Caregiver may only use positive methods of discipline and guidance that encourages self-esteem, self-control, and self-direction, including the following:

1. Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;
2. Reminding a child of behavior expectations daily by using clear, positive statements;
3. Redirecting behavior using positive statements; and
4. Using brief supervised separation or time out from the group, when appropriate for the child’s age and development, which is limited to no more than one minute per year of child’s age.

There must be no harsh, cruel or unusual treatment of any child. The following types of discipline and guidance are prohibited:

1. Corporal punishment or threats of corporal punishment;
2. Punishment associated with food, naps, or toilet training;
3. Pinching, shaking, or biting a child;
4. Hitting a child with a hand or instrument;
5. Putting anything in or on a child’s mouth;
6. Humiliating, ridiculing, rejecting, or yelling at a child;
7. Subjecting a child to harsh, abusive, or profane language
School Playground Use

The YMCA of Metropolitan Dallas is regulated by the Texas Services (THHS), which outlines standards for playgrounds used by licensed childcare programs. These standards may or may not be the same standards observed by school systems.

Because YMCA Afterschool sites operate at local elementary schools the YMCA does not have the ability to maintain or alter playgrounds. Therefore, the playground utilized by the YMCA is maintained and held to the standards of the school system which may or may not meet childcare licensing standards.

Safety Reporting

Staff will communicate to families safety-related incidents that occur during the YMCA programmatic time with a phone call, or, if non-urgent, with a discussion upon child pick up. Please make sure all of your emergency contacts are up to date and notify the YMCA if they change by emailing sasbservices@ymcadallas.org. The YMCA of Metropolitan Dallas utilizes an online incident reporting portal so paper reports are not utilized for internal reporting purposes. Per THHS standards, if a child is treated by a medical professional related to an incident occurring during the program, a supplemental incident document is required and must be signed by the parent/guardian acknowledging that staff notified the parent of the incident. For this reason, parents are required to inform the YMCA if they seek medical or dental treatment related to an incident occurring during programmatic hours. YMCA incident reports are internal, confidential documents, however if parents require a summary of an incident report they may submit their request to the YMCA for consideration.

Preschool Age Children – Participant in Afterschool

Preschool age students are enrolled in a few of our YMCA Afterschool locations and may be paired with our Kindergarten groups. In those instances we strive to maintain a separate program space for our preschoolers.
In accordance to THHS Childcare Licensing BAP Minimum Standard 744.2003 the YMCA of Metropolitan Dallas Afterschool sites serving children under 5 years of age will operate in the following manner:

A. Children under 5 years of age will play on the playground equipment suitable to their age group. They will participate in program activities in a separate corner or space as an independent group.

   All YMCA participants will not mix with other programs or persons outside of the YMCA at any time. If another group is playing on the same grounds the YMCA will move to an isolated area. If another group is using common restroom facilities we will either ask them to wait until the YMCA group is done with their break, or the YMCA will wait until the bathroom is clear of all non-YMCA participants.

B. For programs that operate with children under 5 years of age curriculum will be implemented or adapted to meet the interests and abilities of the age group.

   Ratios will be 1:10 and groups will include children.

   Children under the age of 5 years old will be grouped in a preschool or mix of preschool and kindergarten age children observing a maximum ratio of 1:10.

   Staff will be trained in working with children 3–5 years old.

C. Children under the age of 5 will mix with the larger group during check in time, snack time and in some cases, outdoor time.

D. Children under 5 will not be allowed to engage in group games or organized physical activities with children over the age of 5 years old.

E. The YMCA will modify the program to accommodate children under 5 years old by purchasing manipulatives, board games and gym equipment suitable for this age group.

YMCA POLICIES

Discipline

The YMCA teaches all children the values of caring, honesty, respect and responsibility. We encourage and reward positive behavior, and redirect misbehavior. Although every attempt is made to teach behavior consistent with our values, the following behaviors will result in the automatic evaluation of a child’s ability to return to the program:

- Fighting or exhibiting aggressive behaviors
- Running from staff and/or hiding from adults
- Any action that requires our staff to physically move or restrain a child
- Acting in a way that requires a counselor to spend an inordinate amount of time with only them, neglecting the needs of other children in their group.
- Any other disruptive behaviors that a Director may deem inappropriate

YMCA House Rules

Caring: I show caring by using kind words and helping others.
Honesty: I show honesty by telling the truth and talking to my counselors about how I am feeling.
Respect: I show respect by keeping my hands and feet to myself, walking inside, using an inside voice, and listening to my counselors.
Responsibility: I show respect by picking up messes and taking care of my environment.

YMCA Guidelines for Participant Behavior

1. You may engage in any behavior that does not create a problem for you or anyone else in the world.
2. If you find yourself with a problem, you may solve it by any means that does not cause a problem for anyone else in the world.
3. You may engage in any behavior that does not jeopardize the safety or learning of yourself or others. Unkind words and actions will not be tolerated.

In ensuring that the above guidelines are adhered to, Team Members will operate with the following principles as their guide:
1. We will react without anger or haste to problem situations.
2. We will provide consequences that are not punitive but that allow the child to experience the results of a poor choice, enabling him or her to make better choices in the future.
3. We will proceed in all situations with the best interest of the whole child foremost in mind. Academic, social, and emotional well-being will be fostered.
4. We will guide students toward personal responsibility and the decision-making skills they will need to function in the real world.
5. We will arrange consequences for problem situations in such a way that the child will not be humiliated or demeaned.
6. Equal is not always fair. Consequences will be designed to fit the problems of individuals, students, and they may be different even when problems appear to be the same.
7. We will make every effort to ensure that, in each situation, the students involved understand why they are involved in consequences.
8. If I at any time act or react in a way that a child truly feels is unjust, that student need only say to me, “I’m not sure that’s fair.” I will arrange a private conference during which the student can express to me why he or she feels my actions were not fair. This may or may not change my course of action. I am always open to calm, rational discussion of any matter.

**Zero Tolerance**

The YMCA reserves the right to suspend or dismiss a child immediately for violating any of the following behaviors. Tuition refunds are not issued if a child is removed from the program due to behavior.

- Inflicting physical harm to oneself or another individual including staff
- Threats which may cause physical harm to another individual
- Destruction of property
- Inappropriate touching of another individual
- Possession of a weapon, controlled substance or alcohol, use of foul or abusive language or
- Knowingly leaving YMCA program area without permission

**Parental Notification**

Parents will be notified either in person, over the phone, or in writing, of behavioral concerns occurring in the Afterschool Program. Behavioral concerns will also be reported to risk management department. Any changes in Program Policies and/or Licensing standards will be posted at the site. A copy of THHS Minimum Standards are available on site.
Parent/Guardian Code of Conduct

The following guidelines have been created to meet the standards, policies and procedures of the YMCA, Minimum Standards for Child Care Centers and the Texas Family Code. All YMCA Staff and volunteers are knowledgeable of these standards, policies and procedures:

- Please communicate with the Afterschool staff daily if possible.
- YMCA staff are not trained to review legal documents or court decrees. Decisions regarding who is authorized to pick up a child will be governed by the information listed on the enrollment form.
- People whose behavior and/or health status pose an immediate threat or danger to the health and safety of the children must not be present when children are in care.
- Please do not confront a child or staff in a threatening manner.
- Please do not confront children from other families.
- Using profanity in the presence of a minor is prohibited.
- Please report concerns to the Program Director.
- 911 will be called if threatening behavior is displayed to YMCA staff or children.

PARENT INFORMATION

Health And Safety
Administration of Medication

The YMCA of Metropolitan Dallas Afterschool Programs will accept medication on site on a case by case basis.

Parents are required to complete the Medication Form for parent authorization. You may obtain this form through your Site Director or by contacting our central office. Any medication brought to the Afterschool Program must be prescribed by a physician, be in its original container, and have or be clearly labeled with the following information:
- Original prescription label is readable
- Name and strength of medication on label
- Expiration date
- Full Name of Child receiving the medication
- Health care provider & Pharmacy name/contact on container
- Dosage instructions for administering the medication
- Storage instructions

All treatments such as breathing treatments, diabetes monitoring equipment, etc. must be approved by our administration and include written plans from a physician.

Over the counter medication can be administered at our program. A physician’s note must accompany any over the counter medication. The Medication Form must be completed by the primary parent. Any medication administered to a child must have a written request/authorization from the child’s parent/legal guardian containing at minimum the following information:

- The child’s name
- The name of the medication to be given;
- Date of permission and number of days the medication is to be given;
- Time of day the medication is to be given; and
- Signature of parent or legal guardian.

- Original Container - the medication must be provided by the parent in what appears to be the original container, which should include recommended dosage, directions and expiration date.

Afterschool staff do not administer injections or any therapy or treatment requiring physical contact or insertion into a body cavity. At the YMCA we try our best to accommodate the needs of every child. Proactive communication is needed to ensure we can safely accommodate children requiring special or unique care. An evaluation can be requested in order to admit any child with unique medications or treatments that may not normally be permitted. In these circumstances, you must contact the VP of Operations at 972-679-5955 or by emailing sdelgadogray@ymcadallas.org to discuss your child’s needs.
Medical Emergencies

In the event of a medical emergency, the parent or guardian will be notified. A certified person will administer First Aid if appropriate. If an injury or illness requires more than basic First Aid the YMCA staff are authorized and instructed to call 911. If the child needs to go to the hospital, staff will take the health history and emergency authorization with the child to the hospital or send it with the paramedics. A YMCA staff member will accompany the injured child to the hospital.

The Y’s Position on Child Abuse Prevention:

We make an active effort to prevent child abuse. Parents have the right to discipline their children, however parents must refrain from using physical or corporal punishment while on YMCA property, school grounds or program space.

For the safety of the children entrusted in our care, the YMCA conducts and requires a background check and references for all Afterschool staff, every person employed in or by our branches and programs.

Allegations or suspicions of child abuse are taken seriously and are reported to the police and state agencies for investigation.

Programs are structured and observed so that staff and volunteers are never the only adult present with children with the possible exception of emergency conditions.

Periodic interviews/evaluations are conducted with children and parents regarding day to day experiences, encouraging reports of any event out of the ordinary.

Staff are required to report all incidents and/or the disclosure of abuse.

Child Abuse Information

The YMCA of Metropolitan Dallas wants all children and teens to be safe. Unfortunately, child abuse does exist, including physical, emotional and sexual abuse and neglect.

We take proactive steps in the prevention of child abuse including thorough staff/volunteer screening, child abuse prevention training and staff/volunteer rules aimed at protecting children from abuse. As a parent you can help to ensure the safety of your child by working with us to keep your child safe. Here are some things you can do:
• Talk to your child about his or her experiences in YMCA programs

• Drop in on your child’s programs.

• Trust your instincts.

• Don’t wait to tell us if something seems “strange.”

• Speak up! Listen and watch for signs of your child receiving special attention that other children or teens are not receiving, including favors, treats, gifts, rides, increasing affection or time alone, particularly outside the activities of school, child care and other activities. Ask to see the rules staff and volunteers are required to follow to protect children from abuse. If you know someone is breaking those rules, let us know immediately.

If you have concerns about how your child is being treated in any YMCA sponsored program, please call the 214-880-9622.

Children with Special Needs, Medications or Therapies

The YMCA strives to include all children in our programs. In some cases it may be necessary to evaluate if our programs are the right choice for your family. Completing a registration form is not a guarantee of admission to our program. In some cases, we will need to determine if our program is appropriate for your child. Our programs are not designed for therapeutic or one-on-one care. We operate under the provisions of the American’s with Disabilities Act, which provides protection to individuals with special needs as well as providers of care for these individuals. Please refer to our medication policies in this handbook for further information on camp medication policies and requirements.

Please disclose all severe/life-threatening allergies including but not excluding food, environment or other allergies which are severe, life threatening or require emergency medication on your enrollment form. An Administrator may contact you for more information and to assess if we can make the appropriate accommodations for participation, or to schedule a meeting. If you wish to speak to someone before completing the required forms, you may contact Suzana Delgado Gray, VP of Operations, at 972-679-5955 or by emailing sdelgadogray@ymcadallas.org.

Babysitting & Contact with YMCA Staff outside of the Program
