# Camp on the Lake: Day Camp Registration 2020

## YMCA of Metropolitan Dallas

### Medication and Illness

Anytime a camper must bring medicine to camp, a medication form must be on file from the parent authorizing the distribution of the medicine. The medication must be in the original container with the child's name clearly marked, and we must follow the instructions on the bottle. If a medication is prescribed, the label must contain the date, directions to administer and the name of the physician prescribing the medicine. All medicine must be given directly to a staff member. Children cannot administer medicine to themselves. Children may also not share medicine with another camper.

If a child becomes ill or is injured at camp, an attempt will be made to notify the parents. If no parent can be reached, the staff will use their judgment as to the seriousness of the condition. For those injuries and illnesses requiring medical attention, a local doctor will be used. Children must be clear of fever, vomiting and diarrhea for 24 hours before returning to camp.
