

LAKEWEST FAMILY YMCA

FREQUENTLY ASKED QUESTIONS

What is happening at the Lakewest Family YMCA?

The Lakewest YMCA wants to grow our service to the community we call home. An independent, third-party group examined the best way we can do that and reported that the programs we offer for youth and teens - basketball, soccer, afterschool programs, swim lessons, teen programs and summer camp - are our greatest strength. The study also found that the fitness equipment at this location was largely not being utilized. Beginning on April 13th, the Lakewest YMCA will transition to become a community program center that focuses on providing programs that match the needs of the families in this community.

What programs will the Lakewest Family YMCA offer starting April 13th?
