HIP HOP DANCE A cardio workout that engages the entire body to build muscle and burn calories while having fun! Designed for all fitness levels and experience in dance.

Les Mills BODYPUMP™ Les Mills BODYPUMP™ is a barbell workout for anyone looking to get lean, toned, and fit – fast. Using light to moderate weights with lots of repetition, BODYPUMP gives you a total body workout with scientifically proven moves and techniques.

Les Mills RPM A cardiovascular workout on an indoor bike without impact on the joints. Focused on speed, strength, and endurance. Cycle shoes are not required. Bring a water bottle and let's ride!

LINE DANCE Choreographed dance class with repeated sequence of steps for a fun workout!

PILATES A series of mat exercises that will challenge core strength, balance and stability while encouraging development of good posture.

SENIORS A low impact cardio and strength class designed for Active Older Adults. Utilize a chair for balance if you wish. All levels welcome!

STRENGTH A total body workout for all fitness levels that focuses on every muscle group improving muscle definition, bone density, and muscular strength. The class incorporates core training and balance stamina.

YOGA STRENGTH A Yoga practice exploring various poses to develop stamina and flexibility. Modifications are given for those who are less experienced.

ZUMBA® Combines high energy and motivating music creating the ultimate dance party!

* **Specialty Classes** (\$) require an additional fee. Registration is monthly.

***Martial Arts:** Beginning June 2021, Learn the art of Karate-Do along with the benefits of awareness, well-being, discipline, respect, and mental disposition. M/W/F evenings. Member rate \$40
