

YMCA Adventure Experience – Fall 2021 Campout

Camp Classen – October 15th- 17th

Navigator’s Notes – Bring This To The Campout

Congratulations! By taking your child on an Adventure Guide campout you are letting them know that they are the most important person in your life. If you have been on a campout before, you know that it is a great opportunity to make memories and build a strong relationship with your child. If this is your first campout, get ready for memories that will last a lifetime!

For Camp Alumni, coming to camp feels like coming home. Many speak of the impact YMCA Camp Classen has had on them and how relationships made here have lasted for life. The tradition started just outside Davis, Oklahoma back in 1941, and continues today as campers return each summer and say “It’s my camp”

Under the guidance of carefully selected camp staff, you will find yourself in the heart of the Arbuckle Mountains in Southern Oklahoma, surrounded by 2,400 acres of natural beauty, waterfalls, lakes, forests, open meadows, and miles of hiking and horseback trails. You will enjoy an amazing waterfront area, the Meade Activity Center, and the Eberly Nature Center, Lake Classen, Lake Guy James, Vesper Mt, Classen Falls, 3 Falls, Horseback riding at Colling’s Ranch, and the outdoor peaceful Norman R McCleod Chapel.

In our effort to make this a positive experience for everyone we ask that you please leave alcohol at home and respect the policies and procedures set forth by camp and your Program Director. Thanks for helping make your campout safe and successful.

Please remember to practice good fire safety and enjoy the fire pits and grates at the cabins! Reckless behavior such as “bombs” or “cans of beans” in the fires are prohibited, the camp reserves the right to dismiss anyone that doesn’t practice common sense with the fires. Please enjoy the fire pits, we don’t want anyone to get hurt.

Please feel free to contact us with any questions that you might have. We look forward to having you and your child as our guests!

More Important Stuff

About Your Campout: This is a full service campground, meaning that you will be in cabins with heat and in some cases A/C. All cabins will have a bathrooms. The bunk-beds are hard with what resembles a mattress. Bring either blankets or a sleeping bag and pillows. There are no linens, so you need to bring towels and such. Don't forget the stuffed animals and those stinky blankets that every kid has and needs to go to sleep. With that said, make sure you have it when you leave. If you are a light sleeper consider some ear plugs, you can find at any sporting store that carries hunting gear. These are cabins, not hotel rooms so set your expectations accordingly. Please keep the kids from jumping off of the bunk beds – a broken leg or twisted wrist is not the memory you are looking to achieve.

Roles: Most circle will assign roles. One person responsible for ordering the firewood, one to bring food one to cook, a cook or grill master, therapist, mediator and such – everyone should take a role. Pack whatever you like but expect the kids to raid each cooler – so bring extra. Don't expect the kids to eat much so attempt to bring snacks that might offer some nutritional value (cereal bars, fruit, lunchables and other make-believe healthy stuff – protein wards off bad behavior). Make sure you pack any medicines your kids need but also bring your usual off the shelf meds too (allergy meds, Tylenol, whatever) – there are no pharmacies nearby. Bring extra shoes and socks, a pair of long pants and closed toe shoes. And I hate to say it, bring rain gear.

Keep an eye on the kids: Recommendation, the buddy-system or better yet – the herd-system. Kids should never be alone or not where a parent is not nearby. This weekend is about time with your child, be sure to have your one-on-one time. Don't use the drive to the camp as an opportunity to catch up on voice mail, put down the phone and talk to your kid – turn off the TVs in back seat. You kids will remember this weekend more than any other weekend in their entire life.

Meltdowns: Usually reserved for Saturday afternoon when the kids are the most tired. Work through it with the kids. Just know that it will happen and it will be over in 10-minutes or less. I don't suggest silly threats (we are going to leave if you don't stop...).

Behavior: Not the kids, the dads. Make good decisions. The camps are alcohol free facilities; this is a weekend to spend with your kids – not a weekend to get loaded with your buddies. But also, encourage the kids to behave well and be respectful of the camp and each other.

Most Important: Make sure that the kids are having a great time. We expect the dads to have a ton of fun too, but you will be tired, achy and cranky. This is camping and the facilities are not Ritz or even Motel 6 like. The camps are mostly run by volunteers, so be patient and set your expectations accordingly...

Sleeping Arrangements: Most cabins have between 8-10 with some accommodating 12 beds. The size of your circle will dictate how many cabins your circle will be assigned. Because we are full capacity, your circle may be sharing a cabin with another circle or in multiple cabins. We do our best to avoid this but there is limited space and we have to accommodate everyone. Please do not move beds out of cabins. We can suggest other alternatives if you want all your circle to be in the same cabins.

If your child is one that likes to wonder in the middle night, you might consider letting them have the bottom bunk and you take the top bunk. Please, keep the kids from jumping off of the bunks. Snorers, you know who you are – work with your cabin mates to minimize their pain and discomfort inflicted by your snoring.

Showers: There are some cabins that will share a bathhouse for showering while others will have their own showers.

Chant or Song. Each Circle should create a chant, a war song or some other creative way to vocalize their Circle. Each Circle will be asked to sing, shout or scream their chant or song on the council fire.

Horseback Riding: Riding times will be assigned at the Navigators' meeting on Friday night. Please get to your designated departure point 5-10 minutes early. There is a bus that will take you to the horses. All riders must wear: helmets (provided), long pants, and closed toe shoes. It is highly encouraged that dads also wear closed toe shoes as the path is narrow and you may be walking in tall grass.

YMCA Adventure Experience – Fall 2021 Campout

Camp Classen – October 15th- 17th

Warren Mountain Hike: A great way to see the land and spend some one on one with your child. From a nice modest nature walks, a great view of the falls to short climb up a rock scramble to the peak to capture some great views. Wear good shoes and bring some water. The hike will take about an hour. Busses will leave from the activity center promptly at 9:30^{AM}/10^{AM} and again 1:30^{PM}/2^{PM}. Each spot can accommodate 60 hikers and tickets will be handed out during the navigator meeting on Friday night. Enjoy the hike!!

Directions, Check in Procedures and Parking: Check in at the activity center on the main road. Once you have checked in, you will be given your cabin assignments. You will be directed to a parking area where you can unload your car and use wagons and buggies to get your gear to your cabin. You will be given a parking pass so it is important that every car checks-in. There will be luggage carts available to help carry your stuff from the parking garage to the cabins. Some cabins do not have direct access to a road.

Camp Cooking: Many people bring portable gas grills or charcoal grills. Grills must have a cover/lid. Please grill responsibly. There are raccoons that will break into the coolers at night, so be shore to secure things the best you can.

Campfires: There are no awards for campfires. You cannot win at this. Please keep campfires within the fire-pit or ring provided. Please hold a two-minute session on campfire safety with your tribe. No burning sticks that wind up burning a fellow camper by accident. No throwing stuff in the fires. Burn only firewood, you are not permitted to cut wood or even scavenge for wood at the camp. Create a safety zone by placing a ring of logs several feet from the fire ring and let the kids know not step within the safety area without a parent. It is just too easy to get burned and that is not a memory we want...

Waterfront: No swimming is prohibited in the lake and no boating without a certified lifeguard on duty. Everyone must wear a properly secured lifejacket at all times while boating. Adult must be present in all boats/canoes.

Other Camp information: Please remember no silly string, sidewalk chalk, pets, or digging holes. We need to keep the camp they way it was before we came.

Bad Behavior and Bad Decisions: Be wise and make good decisions. Alcohol, Fireworks and Bad Behavior are not allowed. This is a weekend for you to build a lasting bond with your child. The YMCA reserves the right to kick you out for such bad decisions.

Volunteer Team: Volunteers commit a considerable amount of their free time to the Adventure Guide Program. We want you to have a great time. We do not however run the camp facility, concerns regarding the camp facility need to be addressed with the camp director; of course the Base Camp will assist in any way possible.

No Tolerance Alcohol Policy

- In the opinion of the Council officer and Y-Staff involved the person cooperated with the punishment and peaceably left the YMCA event.
- In the opinion of the Council officer and Y-Staff the person honored the suspension by not attending YMCA events.

The suspended individual must request to be reinstated into the program by contacting the YMCA Program Director. The YMCA Program Director will then review the details of the alcohol incident with Council members then based upon the findings, determine the appropriate reinstatement action.
