

Group Leader’s Notes – Bring This To The Campout

Congratulations! By taking your child on an Adventure Guide campout you are letting them know that they are the most important person in your life. If you have been on a campout before, you know that it is a great opportunity to make memories and build a strong relationship with your child. If this is your first campout, get ready for memories that will last a lifetime!

Set on over 400 acres of the beautiful Blackland Prairie, Collin County Adventure Camp is a place for people of all ages to learn, grow, relax, and be themselves.

In our effort to make this a positive experience for everyone we ask that you please leave alcohol at home and respect the policies and procedures set forth by camp and your Program Director. Thanks for helping make your campout safe and successful.

Good Decisions!!! CCAC is an Alcohol Free facility, please respect their rules. Practice good fire safety and enjoy the fire pits and grates at the cabins! Such reckless behavior is discouraged and prohibited and the camp reserves the right to dismiss anyone that doesn't practice common sense.

Please feel free to contact us with any questions that you might have. We look forward to having you and your child as our guests!

More Important Information

Health Guidelines for 2020-2021: Please make sure you are staying socially distanced from other participants not in your group or cohort. We encourage masks whenever social distancing is not an option. Please make sure both kids and parents are washing hands or using hand sanitizer throughout the day.

About Your Campout: This is a full-service campground, meaning that you will be in cabins with heat and in some cases A/C. All cabins will have bathrooms and showers. The bunkbeds are hard with what resembles a mattress. Bring either blankets or a sleeping bag and pillows. There are no linens, so you need to bring towels and such. Don't forget the stuffed animals and those stinky blankets that every kid has and needs to go to sleep. With that said, make sure you have it when you leave. If you are a light sleeper consider some ear plugs, you can find at any sporting store that carries hunting gear. These are cabins, not hotel rooms so set your expectations accordingly. Please keep the kids from jumping off the bunk beds – a broken leg or twisted wrist is not the memory you are looking to achieve.

Roles: Most groups will assign roles. One person responsible for ordering the firewood, one to bring food one to cook, a cook or grill master, therapist, mediator and such – everyone should take a role. Pack whatever you like but expect the kids to raid each cooler – so bring extra. Don't expect the kids to eat much so attempt to bring snacks that might offer some nutritional value (cereal bars, fruit, lunchables and other make-believe healthy stuff – protein wards off bad behavior.) Make sure you pack any medicines your child need but also bring your usual off the shelf meds too (allergy meds, Tylenol, whatever) – there are no pharmacies nearby. Bring extra shoes and socks, a pair of long pants and closed toe shoes. And we hate to say it, bring rain gear.

Keep an eye on the kids: Recommendation, the buddy-system or better yet – the herd-system. Kids should never be alone or without a parent is not nearby. This weekend is about time with your child, so be sure to have your one-on-one time. Don't use the drive to the camp as an opportunity to catch up on voice mail, put down the phone and talk to your kid – turn off the TVs in back seat. You kids will remember this weekend more than any other weekend in their entire life.

Meltdowns: Usually reserved for Saturday afternoon when the kids are the most tired. Work through it with the kids. Just know that it will happen and it will be over in 10-minutes or less. We don't suggest silly threats (we are going to leave if you don't stop...).

Behavior: Not the kids, the dads. Make good decisions. **The camps are alcohol free facilities;** this is a weekend to spend with your kids – not a weekend to get loaded with your buddies. But also, encourage the kids to behave well and be respectful of the camp and each other.

Most Important: Make sure that the kids are having a great time. We expect the dads to have a ton of fun too, but you will be tired, achy and cranky. This is camping and the facilities are not Ritz or even Motel 6 like. The camps are mostly run by volunteers, so be patient and set your expectations accordingly...

Sleeping Arrangements: Most cabins have between 12 and 14 beds (6 to 7 bunk beds). The size of your group will dictate how many cabins your group will be assigned. Please do not move beds out of cabins. We can suggest other alternatives if you want all your group to be in the same cabins.

If your child is one that likes to wander in the middle night, you might consider letting them have the bottom bunk and you take the top bunk. Please, keep the kids from jumping off the bunks. Snorers, you know who you are – work with your cabin mates to minimize their pain and discomfort inflicted by your snoring.

We are asking that sleeping arrangements be made that the heads of each participant will be at the feet of the person next to them. Also, the only people allowed in that cabin are the pairs staying in that cabin.

Chant or Song. Each Group should create a chant, war song or some other creative way to vocalize their Group. Each Group will be asked to sing, shout or scream their chant or song on the council fire.

Directions and Check in Procedures: Once you have checked in, you will be given your cabin assignments. You may drive near your cabin and quickly unload your car. **Do Not Drive on The Grass!** Immediately move your car

to the designated parking areas. If not, you are assured to get a few dings and scratches. Do not drive on the grass!

Waterfront: No swimming is permitted in the lake and no boating without a certified lifeguard on duty. Everyone must wear a properly secured lifejacket at all times while boating. Adult must be present in all boats/canoes.

Other Camp information: Please remember no silly string, sidewalk chalk, pets, or digging holes. We need to keep the camp the way it was before we came.

Camp Cooking: All the cabin areas will have a fire pit. Typically, the fire pits do not offer much of a grill to cook on. Many bring portable gas grills or charcoal grills. Just remember, sometimes you may be quite a distance from your camp area. You can also bring a grill to place over the fire pit or put some charcoal in the fire pit for cooking. There are raccoons that will break into the coolers at night, so make sure you secure things the best you can.

Campfires: Please be safe around the fires, burn only firewood – no bombs, cans, trash or other debris. Campfires are great fun, enjoy them safely. No cutting/chopping down trees. Keep fires in the fire pits/rings ONLY. Please do not move the fire rings.

Behavior: Be wise and make good decisions. Alcohol, fireworks and bad behavior are not allowed. This is a weekend for you to build lasting bond with your child. The YMCA reserves the right to kick you out for such decisions.

The Bell: The bell is to be used for 2 purposes: to call people to meals or to alert people to emergencies. If you hear the bell ring for 1 solid minute or more, come to the dining hall immediately for further details. Please do not allow children to ring the bell.
