COMMIT TO DANCE FITNESS A combination of Dance and HIIT. For a dynamic, fun-filled HIIT style dance workout. Each routine focuses on essential fitness elements created to a variety of popular music from all over the world, that will inspire everyone to get moving.

Les Mills BODYPUMP™ Les Mills BODYPUMP™ is a barbell workout for anyone looking to get lean, toned, and fit – fast. Using light to moderate weights with lots of repetition, BODYPUMP gives you a total body workout with scientifically proven moves and techniques.

Les Mills RPM A cardiovascular workout on an indoor bike without impact on the joints. Focused on speed, strength, and endurance. Cycle shoes are not required. Bring a water bottle and let's ride!

PILATES A series of mat exercises that will challenge core strength, balance and stability while encouraging development of good posture.

SENIORS A low impact cardio and strength class designed for Active Older Adults. Utilize a chair for balance if you wish. All levels welcome!

STRENGTH A total body workout for all fitness levels that focuses on every muscle group improving muscle definition, bone density, and muscular strength. The class incorporates core training and balance stamina.

STRETCH Led by a personal trainer, this is a time dedicated to relaxing and stretching your muscles. Stretching helps you stay supple and limber, increase your performance, prevent injuries, and overall improve your movement efficiency. All levels welcome to come relax!

YOGA STRENGTH A Yoga practice exploring various poses to develop stamina and flexibility. Modifications are given for those who are less experienced.

ZUMBA® Combines high energy and motivating music creating the ultimate dance party!

* **Specialty Classes** (\$) require an additional fee. Registration is monthly.
