The Y ensures all people have equitable access to the essentials needed to become thriving members of the community. Daily, the Y bridges and fills individual and community needs as a catalyst for impactful change. The YMCA makes accessible the support and opportunities that empower people and communities to learn, grow and thrive, with three areas of impact: Youth Development, Healthy Living and Social Responsibility.

Dear YMCA Family and Friends

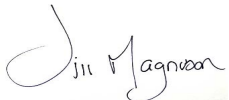

For over 135 years the Dallas YMCA has been adapting to the changing needs of our communities. With your support, we've been able to help kids battle summer learning loss, make strides to eliminate childhood drowning, and create opportunities for generations of families to reach their potential.

In 2021, our membership and programs began to grow again as we continued to help those recovering from the impact of the pandemic. Our YMCA Day of Giving event expanded to over 40 YMCAs taking part nationally and raising an estimated \$500,000. Funds raised help Ys provide scholarship support and resources to the children and families in our community to become more healthy, confident, and connected.

As we begin 2022, the YMCA looks to grow and serve thousands of new families and new communities by expanding our presence throughout the North Texas region. This is shown in programs such as Summer Learning Academies that help students grow their academic proficiency and reduce summer learning loss. 77% of students increased their scores in reading and 81% increased their scores in math. Kamp K'aana hosted 24 campers, teaching them to learn and live a healthy lifestyle while having a fun camp experience. All our work is underscored by our mission, "To put Christian values into practice through programs that build a healthy spirit, mind, and body for all."

While our programs and facilities are based on the unique needs and interests of the communities we serve, every Y is sustained by the stewardship of our volunteers. They are the lifeblood that keeps the Dallas Y going. Thank you for your continued support and participation; we are excited about what's to come.

Best regards,

Jill Magnuson
