Congratulations! By taking your child on an Adventure Guide campout you are letting them know that they are the most important person in your life. If you have been on a campout before, you know that it is a great opportunity to make memories and build a strong relationship with your child. If this is your first campout, get ready for memories that will last a lifetime!

Under the guidance of a carefully selected camp staff, you will find yourself in the beautiful piney woods of East Texas, located outside of Tyler. Whether you are visiting for a weekend or staying for a lifetime, Sky Ranch has the amenities and services to meet your every need, from first-class dining and resorts to some of the greatest challenge events in Texas.

In our effort to make this a positive experience for everyone we ask that you please leave alcohol at home and respect the policies and procedures set forth by camp and your Program Director. Thanks for helping make your campout safe and successful.

Good Decisions!!! Sky Ranch is an Alcohol Free facility and will fine \$1,000 per occurrence, please respect their rules. Practice good fire safety and enjoy the fire pits and grates at the cabins! Such reckless behavior is discouraged and prohibited and the camp reserves the right to dismiss anyone that doesn't practice common sense.

More Important Stuff

About Your Campout: This is a full service campground, meaning that you will be in cabins with heat and in some cases A/C. All cabins will have a bathroom and shower. The bunk-beds are hard with what resembles a mattress. Bring either blankets or a sleeping bag and pillows. There are no linens, so you need to bring towels and such. Don't forget the stuffed animals and those stinky blankets that every kid has and needs to go to sleep. With that said, make sure you have it when you leave. If you are a light sleeper consider some ear plugs, you can find at any sporting store that carries hunting gear. These are cabins, not hotel rooms so set your expectations accordingly. Please keep the kids from jumping off of the bunk beds – a broken leg or twisted wrist is not the memory you are looking to achieve.

Roles: Most circle will assign roles. One person responsible for ordering the firewood, one to bring food, a cook or grill master, therapist, mediator and such – everyone should take a role. Pack whatever you like but expect the kids to raid each cooler – so bring extra. Don't expect the kids to eat much so attempt to bring snacks that might offer some nutritional value (cereal bars, fruit, lunchables and other make-believe healthy stuff – protein wards off bad behavior). Make sure you pack any medicines your kids need but also bring your usual off the shelf meds too (allergy meds, Tylenol, whatever) – there are no pharmacies nearby. Bring extra shoes and socks, a pair of long pants and closed toe shoes. And I hate to say it, bring rain gear.

Keep an eye on the kids: Recommendation, the buddy-system or better yet – the herd-system. Kids should never be alone or not where a parent is not nearby. This weekend is about time with your child, be sure to have your one-on-one time. Don't use the drive to the camp as an opportunity to catch up on voice mail, put down the phone and talk to your kid – turn off the TVs in back seat. You kids will remember this weekend more than any other weekend in their entire life.

Meltdowns: Usually reserved for Saturday afternoon when the kids are the most tired. Work through it with the kids. Just know that it will happen and it will be over in 10-minutes or less. I don't suggest silly threats (we are going to leave if you don't stop...).

Behavior: Not the kids, the dads. Make good decisions. The camps are alcohol free facilities; this is a weekend to spend with your kids – not a weekend to get loaded with your buddies. The YMCA reserves the right to kick you out for such decisions. But also, encourage the kids to behave well and be respectful of the camp and each other.

Most Important: Make sure that the kids are having a great time. We expect the dads to have a ton of fun too, but you will be tired, achy and cranky. This is camping and the facilities are not Ritz or even Motel 6 like. The camps are mostly run by volunteers, so be patient and set your expectations accordingly...

Sleeping Arrangements: Most cabins have between 10 and 14 beds (5 to 7 bunk beds). The size of your group will dictate how many cabins your circle will be assigned. In some cases, your group may be sharing a cabin with another group. We do our best to avoid this but there is limited space, and we have to accommodate everyone. Please do not move beds out of cabins.

If your child is one that likes to wonder in the middle night, you might consider letting them have the bottom bunk and you take the top bunk. Please, keep the kids from jumping off of the bunks. Snorers, you know who you are – work with your cabin mates to minimize their pain and discomfort inflicted by your snoring.

Chant or Song. Each Circle should create a chant, a war song or some other creative way to vocalize their Circle. Each Circle will be asked to sing, shout or scream their chant or song on the council fire.

Horseback Riding: Riding is available for an additional cost of \$25. First come, first serve. Call ahead of time to make a reservation for your entire group. Or, you can sign up at the Corner Store in the dining hall however this is first come – first served so space may be limited. Long pants and closed toe shoes are required for horseback riding.

Nation Games: Nation Games, Athletic Field. This is a great group activity. A great team building experience for the campers.

Directions and Check in Procedures: Once you have checked in, you will be given your cabin assignments. You will be directed to a parking area where you will then load all of your gear and junk into a shuttle. The camp staff will take you to your cabin.

Other Camp information: Please remember no silly string, sidewalk chalk, pets, or digging holes. We need to keep the camp the way it was before we came.

Camp Cooking: Most of the cabin areas will have a fire pit. Typically, the fire pits don't offer much of a grill to cook on. Many bring portable gas grills or charcoal grills. Just remember, sometimes you may be quite a distance from your camp area. You can also bring a grill to place over the fire pit or put some charcoal in the fire pit for cooking. There are raccoons that will break into the coolers at night, so make sure you secure things the best you can.

Campfires: Please be safe around the fires, burn only firewood – no bombs, cans, trash or other debris. Campfires are great fun, enjoy them safely. No cutting/chopping down trees. Keep fires in the fire pits/rings ONLY.

Your Volunteer Team: This team has committed their time to the program. We want you to have a great time. We do not however run the camp facility, concerns regarding the camp facility need to be addressed with the camp director; of course the Navigator will assist in any way possible.

Final Reminder: You cannot park next to the cabins! Please pack accordingly.

- Has been suspended for at least 6 months
- Has missed one campout due to suspension
- In the opinion of the Council officer and Y-Staff involved the alcohol incident was limited to consumption or possession. No other person was harmed or disturbed by behavior resulting from consumption.
- In the opinion of the Council officer and Y-Staff involved the person cooperated with the punishment and peaceably left the YMCA event.
- In the opinion of the Council officer and Y-Staff the person honored the suspension by not attending YMCA events.

The suspended individual must request to be reinstated into the program by contacting the YMCA Program Director. The YMCA Program Director will then review the details of the alcohol incident with Council members then based upon the findings, determine the appropriate reinstatement action.
