# ABOUT THE YMCA

Driven by its founding mission, the Y has served as a leading nonprofit committed to strengthening community for more than 175 years. The Y empowers everyone, no matter who they are or where they're from, by ensuring access to resources, relationships and opportunities for all to learn, grow and thrive. By bringing together people from different backgrounds, perspectives, and generations, the Y's goal is to improve overall health and well-being, ignite youth empowerment and demonstrate the importance of connections in and across 10,000 communities nationwide.

Founded in 1885, the YMCA of Metropolitan Dallas serves thousands of men, women and children each year, regardless of age, income or background. Anchored in communities across North Texas, the Dallas Y has the long-standing relationships and physical presence not just to promise, but to deliver, lasting personal and social change. The Y ensures all people have equitable access to the essentials needed to become thriving members of the community. Daily, the Y bridges and fills individual and community needs as a catalyst for impactful change. The YMCA makes accessible the support and opportunities that empower people and communities to learn, grow and thrive, with three areas of impact: Youth Development, Healthy Living and Social Responsibility. The Dallas Y is a volunteer-led organization driven by members, volunteers, staff and the community.

ABOUT THE  
**YMCA OF  
METROPOLITAN  
DALLAS  
FOUNDATION**

The YMCA of Metropolitan Dallas Foundation enables the Y to remain flexible and innovative, responding with timely solutions to the evolving needs of children and families in each of the communities served by local YMCA branches. In 1996, the YMCA of Metropolitan Dallas Foundation was chartered as a Texas non-profit corporation to manage the investment and distribution of the endowment of the Y.

## WHAT THE FOUNDATION SUPPORTS

The main goal of the YMCA of Metropolitan Dallas Foundation is to support the mission, operations, and programs of the YMCA of Metropolitan Dallas. In recent years, including 2022, the Foundation Trustees have distributed 5% of the fund, based on a 12-quarter average of the fund corpus. In 2022, this distribution was a little over **\$1.3 million dollars**. Around two thirds of the distributions were directly determined by donor designations to various branches and programs. Part of the designated distributions have included providing approximately **20 four-year college scholarships** to graduating seniors with a connection to the YMCA.

## 2023 Awardee Brett Packer

Brett Packer's connection with the YMCA began in 1970, when he first stepped onto the Southeast YMCA football field and earned his inaugural participation trophy, a cherished keepsake. Joining his father as a volunteer in 1976, they returned to the YMCA fold after dissatisfaction elsewhere, culminating in memorable achievements like reaching the Turkey Bowl in San Antonio.

The move to Rockwall in 1979 and solidified the YMCA's significance in Brett's life, as he coached his daughter's t-ball team and engaged in Indian Princesses activities, strengthening familial bonds. His commitment soared in 2000 when he joined the Board of Management of the Rockwall YMCA, garnering prestigious awards in 2008 and 2010 for his service.

Chairing the Capital Improvement Committee in 2013 marked a pivotal moment, underscoring Brett's dedication to enhancing the YMCA's infrastructure. His ongoing efforts, from forging partnerships with local schools to spearheading a legacy task force in 2021, epitomize values of love, service, and faith, leaving an indelible imprint on the Rockwall and YMCA communities. ## 2023 Awardee W. Stephen Love

W. Stephen Love's journey is intricately intertwined with the culture of the YMCA and its profound community impact. Growing up in a small Virginia town without a YMCA, Love's early fascination with its cultural significance, tied to basketball's invention, ignited his interest. It wasn't until around 2001, in Plano, Texas, that Love fully immersed himself in the vibrant YMCA atmosphere.

Encouraged by this environment, Love embraced a volunteer role on the local advisory board, marking the start of his active engagement with YMCA management. His tenure witnessed pivotal moments, including the consolidation of two Plano YMCA locations, which aimed to enhance community impact.

Through this process, Love deepened his understanding of the YMCA's multifaceted mission, which extended beyond fitness to encompass childcare, social responsibility, and youth development.

After nine years as a YMCA of Metropolitan Dallas Association board member, Love still champions equity and wellness initiatives in North Texas. His holistic belief in the YMCA's transformative power continues to impact individuals and communities positively. In recognition of his service, we proudly honor W. Stephen Love with the Theodore Beasley Distinguished Leadership Award.

### JACKSON REITMAN

GRAND PRAIRIE FAMILY YMCA

Jackson is an outstanding young man who, like the mission of the YMCA, is about action! He visits the Grand Prairie Y regularly with his Grandma Nancy. He then took on the task of finding odd jobs like washing cars to earn money. When he visits Grandma, they stop by the grocery store and spend almost weekly what they can to fill up the food pantry. No one really knows his reason for doing this, but it is a true blessing to our community. Jackson deserves recognition and praise for acting where he saw a need, as does his family for raising him to be this type of outstanding human. And it's cool that he gets these quality moments with Grandma Nancy!
