How to form a team/re-enter a team in the league: To form a new team, please email me a list of the players that will be on the team. From there, please inform your parents of your players to register either online or here at the Y. Please let them know when registering to put you (the coach's name down and/or the team name down).

To re-enter a team in the league: To re-enter a team into the league please send me a list of the players that will be returning. If there are any changes (additions or drops to the roster please let me know that as well).

When Registering Online: If you are having trouble registering online or if the system is giving you the incorrect league price i.e. you are a YMCA member but it is giving you the non member price only....Please contact the YMCA welcome center at 214-328-3849. They will be able to help you with the online issue. *Typically the issue is that your child that you are trying to sign up to play is not linked to you or they are not linked to your account.*

Players on pre-formed teams: Please remember to signify when registering if you are currently on a team and please complete the proper sections both online or here at the Y that ask specifically what team you are on or what is your team's coach's name.

Players (in need of a team): If you are registering a player without a team, these are the steps that will be taken in finding them a team...

1. Players without a team will first be added to existing teams that are in need of players.
2. Players will then be grouped by age, grade, gender, and friend requests.
3. New teams will then be formed from these groups.
4. With the new teams formed we will need new coaches as well. (An email will be sent out to each newly formed team to ask a parent to volunteer to coach the team).

Requests: Requests to be on a specific team or to be with a specific group of kids will be honored when applicable. Requests are what they are, they are requests. If requesting a specific team, I will need to see an email from the requested coach giving their approval for your child to join their team.

Volunteer Coach Requirements:

Returning and New Volunteer Coaches will need to complete the following volunteer application online. The link to the online volunteer application is below:

Volunteer Coach Requirements Cont'd:

(All Parts require full completion before one can be assigned as a volunteer).

- Emergency Procedures
- Volunteer Code of Conduct
- Liability Waiver
- Online Code of Conduct
- Child Protection Training (20 minutes)
- Child Protection Policy
- Background Check

Practices: The YMCA does not provide practice space for each individual team on a team, by team basis. What the YMCA will do is reserve a block of space Monday thru Friday at a Local elementary School from 5pm-8pm. The space is large and plenty of space for multiple teams. The space is first come first serve. Typically after the first week teams are used to where other teams are practicing and will keep to their areas.

Schedule Conflicts: Teams are allotted 2 schedule conflicts max. If your team is going on a Y guide campout, that will need to be one of your conflict dates. I will not schedule around a campout and 2 additional schedule conflicts for your team.

Uniforms: Uniforms are the team & coach's responsibility. Uniforms can be any color, name (Y appropriate).

The Uniform Vendor (Recommended)

General Makeup of a Successful team:

Head Coach- *Game day/season leader*

Assistant Coach- *Aide the head coach with practices and games*

Assistant Coach- *Aide the head coach with practices and games*

Team Parent- *Responsible for most communication aide between the head coach and the team, communication between the head coach and the YMCA. Communication of snack schedules, team emails, team texts, team uniforms, game times and practice times.*

Communication: It is imperative to provide good contact information when one registers for the league as a player or a coach. The YMCA needs a good email for the participant/coach as well as a good phone number.
